Lox Royale Processors Inc.

November 26, 2001

To Our Customers!

You may be aware that the dock below our processing plant has been condemned and we are forced to move. We have considered all other avenues to solving this unfortunate situation and the best answer is to sell the label and product line.

We have carefully selected a company that is able to provide you with the same product that we offered. We will be working directly with Ocean Master Foods; the new processors who we feel will uphold our fine taste and quality.

The new partners – Mike Featherstone and Chris Mydskę, are committed to customer service and highest quality. Chris will be contacting you soon to introduce himself and to discuss your particular needs.

My decision to sell was very difficult to make, I honestly believe that the business will thrive under the new ownership.

The new phone number for Lox Royale is 604-467-2677 fax 604-467-2005

Thank you and take care.

Sincerely,

Valerie Rose Jones
